Re: Information under Regulation 30 of the SEBI (LODR) Regulations, 2015

Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we have to state that the Company has received an order from the Telangana State Pollution Control Board for closure of one of its three units situated at Hyderabad.

The details prescribed as per the SEBI circular No. CIR/CFD/CMD/4/2015 dated September 9, 2015, are as under:

a)	Name of the Regulatory/ Licensing Authority	Telangana State Pollution Control Board
b)	Brief details of the Approval /License obtained / withdrawn/ surrendered	the Company has received a order from the Telangana State Pollution Control Board for closure of one of its three units situated at Hyderabad.
c)	Impact/ relevance of such approval/license to the Company	The Company is manufacturing DASDA at its facility at Hyderabad and the unit for which order has been received, is a processing unit. The Company's DASDA production will be affected due to said order.
d)	Withdrawal/cancellation or suspension of License / approval by the Regulatory / licensing authority, with reasons for such action, estimated impact (monetary or otherwise) on the Company and penalty, if any	The said order is issued under the powers vested with the Telangana State Pollution Control Board under section 33(A) of the Water (Prevention and Control of Pollution) Amendment Act, 1988 and under section 31(A) of Air (Prevention and Control of Pollution) Amendment Act, 1987.
e)	Period for which such approval/license is / was valid	NA

f)	Corrective Actions taken	The Company is taking all the necessary effective steps to correct the anomalies pointed out by the Authorities in the manufacturing system in one of the three units at Hyderabad, DASDA manufacturing facility. Very best efforts are being put to get the closure notice revoked within a week or so. There will not be any major impact on service to DASDA customers. The week long interruption in production shall not have any major impact on the Optical Brightening Agents production also, as adequate inventories are available.
