Re: Information under Regulation 30 of the SEBI (LODR) Regulations, 2015

Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we would like to inform you about an incident of the fire broke out at one of the distillation columns of the Company's manufacturing facilities situated at Roha Industrial Estate, in the State of Maharashtra. The incident occurred at around 2 a.m. of 21st October, 2016.

The fire was brought under control promptly with the help from Roha Fire department, MARG and Reliance Industries. The Company is thankful to them for their timely help. There was no major injury caused due to the fire except minor injury caused to two persons, who have been treated and are fine.

All the concerned authorities were informed about the incident immediately.

This has resulted into temporary stoppage of production of one of the intermediates. This incident is not expected to have any material impact on the performance of the Company.

The details prescribed as per the SEBI circular No. CIR/CFD/CMD/4/2015 dated September 9, 2015, are as under:

a)	Expected quantum of loss/damage caused	The initial quick estimate of the expenditure to repair the damage caused due to fire and restore the production is around Rs. 3 to 5 crores.
b)	Whether loss/damage covered by insurance or not including amount;	Both, the expenditure as well as loss of business caused due to this fire are covered under insurance.

c)	Estimated impact on the production/operations in case of strikes/lock outs (the incidence);	<p>The Company is having multipurpose facility at Roha site and this incident has affected only one of the intermediates and not the rest of the intermediates / products manufactured at the Roha location.</p> <p>As a safety precaution, manufacturing in all the other plants in our Roha location has been temporarily stopped and the production will be resumed within a couple of days.</p> <p>The Company is confident that the supply of the affected intermediates/ products to its customers will be minimally impacted during the time the said column is repaired.</p>
d)	Factory/unit where the strike/lock out takes place including reasons for such strike.	N.A.

Kindly take the same on your record.

Thanking you,

Yours faithfully
